District Superintendent's Report

It has been a banner year for Clarendon School District One!!!! We are continuing our quest for excellence. Three of our four schools, Summertown Early Childhood Center, St. Paul Elementary, and Scott's Branch Middle, earned the title of "Red Carpet School." The middle school met AYP, and the high school won the Gold Award for student achievement for the third consecutive time. St. Paul Elementary School earned a Silver Award from the USDA for promoting healthy eating habits. Summertown Early Childhood Center is in the initial phase of seeking national accreditation. St. Paul Elementary School received a letter of commendation from Save the Children because of the strong viable partnership and success with the program at the school. St. Paul was also selected as a pilot site by the state to use Edison Learning Force as a part of the curriculum. Scott's Branch Middle is a partner with Edison Learning. All schools were reaccredited by the Southern Association of Colleges and Schools. We were able to continue the infusion of the arts in our curriculum.

All students in grades 5th and 6th were given laptops for instructional and personal use. This initiative was made possible through a competitive grant. Kindergarten through fifth grade teachers had the capability through technology to view out-of-state teachers as they taught, and those teachers could also observe our teachers teaching. We were able to have this experience with a grant from the Anneburg Foundation. We had our groundbreaking celebration in February for a new elementary school that is scheduled for opening in the 2011-12 school year.

Our students continued the tradition of winning awards in the areas of academics, the arts, and sports. One student made history for the district by earning an appointment to the US Naval Academy based upon his academic and athletic ability. Some of our eighth grade students earned 3-5 credits toward their high school units. We added additional minutes to the instructional day for students in kindergarten through eighth grade. All of our classrooms are equipped with promethean boards.

We continued with the celebration of recognizing students for academics, attendance, citizenship, sports, and other recognition. The ongoing financial constraint is a major challenge for the district. However, through furloughing, careful planning, and wise spending, we may be able to have a balanced budget for the 2010-2011 school year. Again, we are continuing our quest for excellence in Clarendon School District One. We are respectfully asking for your continued support.

Dr. Rose H. Wilder, Superintendent
